ALEX PAYTON - FOR PARLIAMENT ANGELA ARMSTRONG & PAUL PRITCHARD - FOR BOROUGH

Alex says: "Havant Borough needs a strong campaigning MP, who will stand up and fight for the needs of its residents. People are fed up with the same-old same-old from the two old parties - the real opportunity for change is to vote Liberal Democrat."

Angela is greatly involved in the community, as Secretary of the Langstone Residents' Association. She is a keen sailor, and gardener. She said "I will keep the Island's needs to the fore."

Paul, with his wife, Diana, runs a small training business from his home at Sandy Point. He enjoys sailing a dinghy and walking. He said "I look forward to working closely with residents, especially on flooding issues."

3 Reasons to vote Liberal Democrat

1 The Lib Dems work hard for you all year round

Lib Dem councillors have taken up issues on health, education and parking and dealt with hundreds of requests for help from residents..

2 The Tories offer you spin and no substance

Only the Lib Dem manifesto is fully-costed. And what do you think of the Tory leader having had his chauffeur following his bike?

3 Labour can't win here

Over the whole constituency last year they only polled 9.3% of the vote.
