Everybody is outraged over the behaviour of some MPs. Many residents have told the Focus team on the doorsteps that they have completely lost confidence in national politicians.

This election is about the quality and delivery of Hampshire County Council services, which we all pay for through council tax.

Liberal Democrats would spend more, among other things, on youth services and highways, and cut spending on marketing and bureaucracy.

Promoted by F.Ponsonby on behalf of Ann Buckley and Susan Stocker (Liberal Democrats) and printed by HLD Press, all of 78 Havant Road, Emsworth, PO10 7LH.

Make your two votes count

Ann Buckley

Ann has represented Bedhampton & Leigh Park since 2005. Her links with the area go back 25 years through her family's dental practice. Her campaigns include keeping local schools open, fighting for patient care, and improving bus services, and she has a strong interest in disability issues.

Susan Stocker

Susan was elected to Havant Council in 2006 and represents Bondfields Ward. She has campaigned for cleaner streets and better signs, worked with the police on CREW projects and the community safety team on anti-social behaviour.

Dear Electors

The revelations in the banking sector followed by some MPs' expenses in recent weeks are disgraceful. It's a case of greed and lack of financial control.

We live in difficult and trying times and many residents have told us about the impact of the recession including unemployment and small business failures.

With over 26,000 people in our huge Bedhampton & Leigh Park division, it has not been possible to call to every home. We have met a lot of residents, listened and will report back on the concerns and issues raised.

You may have visited our local libraries and seen how these have been transformed.

As you know, there is still a lot that can be done to improve the area. It is shameful that the Conservative-run County Council has one of the lowest spends on road maintenance and Youth Services.

We will work hard for the local area if elected to Hampshire County Council on 4th June. Put your trust in us and we will do our very best as Liberal Democrats to work for you.

Many thanks for your support,
Ann and Susan
